

IMSTEC2020

10th International Membrane Science & Technology Conference

Supported by the MSA
Membrane Society of Australasia

IMSTEC2020 CALL FOR ABSTRACTS

2nd to 6th February 2020

Sydney, Australia

The 10th International Membrane Science & Technology Conference
ABSTRACT SUBMISSION IS NOW OPEN

www.imstec2020.com

Call for abstracts

The 10th International Membrane Science and Technology Conference (IMSTEC2020) will be held in Sydney, Australia, at the UTS Aerial Convention Centre, from 2nd to 6th of February 2020. The event will be jointly organised by the University of New South Wales (UNSW) and Sydney University of Technology (UTS). IMSTEC is a renowned international membrane event that gathers students, Early Career Researchers (ECRs), researchers and industry representatives to present, share and discuss their advances in the membrane separation domain.

Conference topics

Abstracts are invited for submission in any of the following topics:

- Advanced membrane materials and processes
- Membrane reactors and bio-reactors
- Reverse osmosis and nanofiltration
- Desalination and water treatment
- Gas and vapor separation
- Modelling and simulation
- Inorganic membranes

Please visit our website for the complete list of topics

Important Dates

April 1 2019 Abstract submission opens

August 15 2019 Abstract submission closes

November 15 2019 Authors registration deadline
